JOINT RESOLUTION

Designating the period from October 11 to October 16, inclusive, 1954, as National Nurse Week.

Whereas the nursing profession plays a vital role in the health care of the Nation; and

Whereas a continued renewal and extension of its ranks through the attraction of young people to the profession is of the first importance to the Nation's future health and welfare; and

Whereas there are many problems facing the nursing profession which can only be solved through the aid of an informed and sympathetic public; and

Whereas it is proper and fitting that national attention and recognition should be focused on the great contributions, past and present, that the nursing profession in all its branches has made to the national welfare and security: Therefore be it

National Nurse

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the period beginning October 11, 1954, and ending October 16, 1954, is hereby designated as National Nurse Week, in honor of the professional nurses of America and in recognition of the vitally important service they have faithfully rendered in the promotion of the national health and welfare.
