MEMORANDUM FOR THE PRESIDENT

You approved my memorandum of 5 September, proposing cancellation of construction of three light cruisers, CL's 112, 113, and 114.

The proposal of the Commander-in-Chief, U. S. Fleet, upon which said memorandum was based, included CL 115, in addition to those above mentioned. CL 115 was omitted in my memorandum through error.

Your concurrence in my proposal to cancel construction of CL 115 is therefore requested.

Respectfully,

*James Forrestal*
